Bayview Branch Library Partnership to Build a Book List on Health and Healing

The Center for Youth Wellness (CYW) is thrilled to announce an exciting collaboration with the Bayview Branch Library, which recently celebrated the 1-Year Anniversary of its renovation. A few months ago, the CYW and the Bayview Branch Library teamed up to create a book list for families on health and healing, which will allow the Bayview Hunter's Point Community easy access to education on health and wellness. We are so thankful to Wendy and Ted Hoffman for their amazing support of this initiative!
